Education

- 2024 – 2027  **Ph.D., University of Cambridge**
Theoretical and Applied Linguistics.
Thesis title: *Constrained communication of motion events: Mediation, typological proximity, and proficiency*
- 2025  **Large Language Models Class, BNBU-UM-NNU The third Corpus and Digital Humanities Summer College**
Prompt engineering, fine-tuning, and RAG of large language models.
Beijing Normal-Hong Kong Baptist University, University of Macau, and Nanjing Normal University
- 2021 – 2024  **M.A., Beijing Foreign Studies University**
Translation Studies (GPA: 3.84, Ranking: 2/15).
Thesis title: *Syntactic simplification in diplomatic translation? A diachronic five-lingual corpus-based study of United Nations General Debate (1946-2022)*.
- Summer 2023  **Dream Lab 2023: East Asian Studies and Digital Humanities**
University of Pennsylvania
- Summer 2019  **National Summer School on Corpus-Based Translation Studies**
Shanghai International Studies University
- 2017 – 2021  **B.A., Guangdong University of Foreign Studies**
Translation (GPA: 3.90, Ranking: 1/62).
Thesis title: *Diachronic Variations of Linguistic Features of English Translation of China's Diplomatic Discourse (1971-2018): A Corpus-Driven Multi-Dimensional Study*.

Research Publications

Conference Presentations

- 1 L. Shen, "Bridging constrained communication and cognitive semantics: Elicitation approaches to constraints in chinese-french translation and l2 production," presented at the 58th Annual Meeting of the Societas Linguistica Europaea, Bordeaux, France, Aug. 27, 2025.
- 2 L. Shen, "Cognitive effects of l1 use via translation tasks in l2 classrooms: A comparison of learners' l2 target-likeness of motion event expressions between tasks with and without l1," presented at the 58th Annual Conference of British Association for Applied Linguistics, Glasgow, UK, Sep. 5, 2025.
- 3 L. Shen, "Typological differences and cognitive load in manner processing: A corpus-based study of chinese–english and english–chinese consecutive interpreting," presented at the Corpus Linguistics 2025, Birmingham, UK, Jul. 1, 2025.
- 4 L. Shen and H. Hendriks, "Source text influence on target-likeness of translated motion event expressions: Bilingual processing in translation of chinese-english and chinese-french learners," in *Language Sciences Annual Symposium 2025: Ambitions for Language Science in 2050*, Cripps Court, Magdalene College, Cambridge, UK, Nov. 27, 2025.  DOI: 10.33774/coe-2025-wnd00
- 5 L. Shen and H. Kotze, "Differentiating translated and non-translated english diplomatic discourse: A diachronic corpus-based elastic net analysis of the united nations general debate (1946–2022)," presented at the 46th Annual Conference of International Computer Archive of Modern and Medieval English, Vilnius, Lithuania, Jun. 19, 2025.
- 6 L. Shen, "'tao" of coloring covers of translations of chinese literary classics: An analysis of 255 covers of tao te ching," presented at the Translators Association of China Annual Conference 2023, Beijing, China, Apr. 4, 2023.
- 7 L. Shen, "How booker and nobel prizes shape the circulation of the remains of the day in china: A TextMind sociological comparison," presented at the 57th Annual Comparative World Literature Conference, California, United States, Apr. 19, 2023.

- 8 **L. Shen**, “Linguistic analysis of the scarcity mindset: A corpus-based LIWC study of the united nations general debate (1987-2020),” presented at the 16th International Cognitive Linguistics Conference, Heinrich Heine University Düsseldorf, Germany, Aug. 7, 2023.
- 9 **L. Shen**, “Questioning the east/west politeness divide by language-anchored regrouping: A psycholinguistic LIWC clustering of 55-country 51-year of united nations general debate (1970-2020),” presented at the 18th International Pragmatics Conference, Brussels, Belgium, Jul. 10, 2023.
- 10 **L. Shen**, “An integrated perspective of reception in and out of the red mansion: A corpus-driven analysis of correlation between multi-dimensional register features and quantified reader reception of three translations of hongloumeng,” presented at the 10th Asia-Pacific Translation and Interpreting Forum (APTIF 10), Beijing, China, Jun. 26, 2022.
- 11 **L. Shen**, “Beyond a static and subjective view of how diplomatic translators construct china’s identity in intercultural communication: A corpus-driven study on the evolving discursive markers of “china” over its 50 years at UN (1971-2020),” presented at the 9th Asian-Pacific Forum on Translation and Intercultural Studies, North Carolina, United States, Mar. 25, 2022.
- 12 **L. Shen**, “Shifts of emotion in china’s political interpreting: A corpus-based study of their presence, effects, and contexts (2014-2022),” presented at the 14th All-China National Conference on Interpreting, Wuhan, China, Nov. 20, 2022.
- 13 **L. Shen**, “The ‘newness’ engineered in china’s new-era diplomatic discourse: A corpus-driven analysis of china’s linguistic engineering in xi’s new era,” presented at the 66th Annual Conference of the International Linguistic Association, New Jersey, United States, Apr. 2, 2022.

Book Chapters

- 1 J. Li, S. Zhu, Q. Chen, **L. Shen**, J. Wang, and Y. Qiao, “Multilingual risk communication: Reflection on the chinese practice during COVID-19 outbreak and policy recommendations,” in *The Humanistic Thinking on Epidemic Disease*, Beijing: Science Press, 2021, pp. 79–95.
- 2 J. Li, S. Zhu, **L. Shen**, and Q. Chen, “Communicating china’s COVID-19 prevention experience to the world—the coronavirus prevention handbook: 101 science-based tips that could save your life,” in *Research on Creative Communication of Chinese Stories*, X. Chen, Ed., Beijing: People’s Publishing House, 2021, pp. 312–334.

Miscellaneous Experience

- | | |
|------|--|
| 2024 | 📖 Honor Graduate , Beijing Foreign Studies University. |
| 2022 | 📖 Student Award of Merit , Beijing Foreign Studies University. |
| 2021 | 📖 Honor Graduate , Guangdong University of Foreign Studies. |
| 2020 | 📖 Student Award of Merit , Guangdong University of Foreign Studies. |

Scholarships and Grants

- | | |
|------|---|
| 2025 | 📖 Faculty PhD Research Fund (£1000) , Faculty of Modern and Medieval Languages and Linguistics, University of Cambridge. |
| | 📖 Travel and Research Grants (£1200) , Wolfson College, University of Cambridge. |
| 2023 | 📖 National Scholarship (¥20000) , Ministry of Education, P.R.China. |

Scholarships and Grants (continued)

- 2022  **Best Student Paper Award (\$300)**, 9th Asian-Pacific Forum on Translation and Intercultural Studies.
-  **Special-Level Scholarship (¥10000)**, Beijing Foreign Studies University.
- 2021  **First-Class Scholarship (¥8000)**, Guangdong University of Foreign Studies.

Research Projects

- 2022 – 2023  **Member, Corpus of Professional Interpreting**, Beijing Foreign Studies University
P.I.: Prof. Xinchao Lu (Beijing Foreign Studies University).
- 2021 – 2022  **Member, Country-specific Translation Competence**, BFSU Research Center for Country-specific Translation Competence
P.I.: Prof. Wen Ren (Beijing Foreign Studies University).
- 2020 – 2021  **Student P.I., How Boris Johnson perceives China: A corpus-based critical discourse analysis**, Special Fund for Science and Technology Innovation of Guangdong, China
Instructor: Prof. Zhengmao Hu (Guangdong University of Foreign Studies).

Teaching and Supervision

- Oct 2025 - Jun 2026  **Supervisor**, L115 Language Acquisition and Multilingualism, University of Cambridge, Cambridge, UK
- Summer of 2021  **Lecturer**, Summer School for Medical Translation, Guangdong, China
- Winters of 2018-2020  **Assistant Coordinator**, Medical Interpreting Workshops, Guangdong University of Foreign Studies.

Work Experience

- Spring of 2023  **Intern**, Department of International Affairs, Communist Youth League of China.
- Winter of 2022  **Education Intern**, ZERO, ByteDance.
- Summer of 2021  **Consulting Intern**, Shenzhen Institute of Advanced Technology, Chinese Academy of Sciences.

Academic Membership, Professional Certification, and Services

- 2025-2026  **Vice-President**, Wolfson College Student Association
- 2025  **Reviewer**, Across Languages and Cultures
-  **Reviewer**, Humanities and social sciences communications
-  **Student Member**, European Society for Translation Studies
- 2024  **Student Member**, Societas Linguistica Europaea
-  **Student Member**, Learner Corpus Association
-  **Co-organizer**, Cambridge Processing and Acquisition of Language group
-  **Reviewer**, Lingua
-  **Reviewer**, Wolfson Research Event 2025

Academic Membership, Professional Certification, and Services (continued)

- 2021
- **Student Ambassador**, Modern and Medieval Languages and Linguistics Faculty Open Day
 - **Certified Translator**. Awarded by Ministry of Human Resources and Social Security, China.

Skills

- Languages
- Native: Mandarin, Hakka Chinese
 - Professional: English (IELTS 8.0; TEM-8; CATTI 2)
 - Research: French, German
- Coding
- Python (natural language processing, e.g. `nsca`, `nltk`), R (data analysis and visualization, e.g. `ggplot2`, `glmnet`). $\LaTeX$, ...
- Research skills
- corpus-based analysis, thematic coding (MAXQDA), sociolinguistic questionnaire.
